REGIONS OF LOWER LIMB 3

REGIONS OF LOWER LIMB

Regiones membri inferioris	Regions of lower limb
Regio glutealis	Gluteal region
Crena analis; crena ani; crena interglutealis	Intergluteal cleft; natal cleft
Sulcus glutealis	Gluteal fold
Regio coxae	Hip region
Regio femoris	Femoral region
Regio femoris anterior	Anterior region of thigh
Trigonum femoris	Femoral triangle
Regio femoris posterior	Posterior region of thigh
Regio genus	Knee region
Regio genus anterior	Anterior region of knee
Regio genus posterior	Posterior region of knee
Fossa poplitea	Popliteal fossa
Regio cruris	Leg region
Regio cruris anterior	Anterior region of leg
Regio cruris posterior	Posterior region of leg
Regio surae	Sural region
Regio talocruralis anterior	Anterior talocrural region; anterior ankle region
Regio talocruralis posterior	Posterior talocrural region; posterior ankle region
Regio retromalleolaris lateralis	Lateral retromalleolar region
Regio retromalleolaris medialis	Medial retromalleolar region
Regio pedis	Foot region
Regio calcanea	Heel region
Dorsum pedis; regio dorsalis pedis	Dorsum of foot; dorsal region of foot
Planta; regio plantaris	Sole; plantar region
Margo lateralis pedis; margo fibularis pedis	Lateral border of foot; fibular border of foot; peroneal border of foot
Margo medialis pedis; margo tibialis pedis	Medial border of foot; tibial border of foot
Arcus pedis longitudinalis	Longitudinal arch of foot
Pars lateralis	Lateral part
Pars medialis	Medial part
Arcus pedis transversus proximalis	Proximal transverse arch of foot
Arcus pedis transversus distalis	Distal transverse arch of foot
Regio tarsalis	Ankle region
Regio metatarsalis	Metatarsal region
Regiones digitorum pedis	Region of digits of foot; toes
Regio hallucis; regio digiti primi	Region of great toe
Regio digiti secundi	Region of second toe
Regio digiti tertii	Region of third toe
Regio digiti quarti	Region of fourth toe
Regio digiti minimi; regio digiti quinti	Region of little toe; region of fifth toe
Facies plantares digitorum	Plantar surfaces of toes
Facies dorsales digitorum	Dorsal surfaces of toes

- MEMBRUM INFERIUS (LOWER LIMB)

- Coxa (Hip joint)
- Femora (Thigh)
 - Regio femoris anterior (front of thigh)
 - FEMORAL TRIANGLE
 - Regio Femoris Posterior (back of thigh)
 - Regio Femoris Medialis (Side of thigh)
- Genu (knee)
 - Popliteal fossa (knee pit)
 - KNEE JOINT
- Crus (Lower Leg)
 - Regio cruris anterior (Front region of leg)
 - Regio Cruris Posterior (Back of leg)
 - Regio Cruris Lateralis (sides of leg)
- Tarsus (Ankle)
 - ANKLE JOINT
- Pes (Foot)
 - ARCHES OF FOOT
