VISUAL ABSTRACTIONS (VIRTUAL COMPARISONS) 3

VIRTUAL

- VISION ,
- APPEARANCE
- Formal sequence

VIRTUAL

- VISION ,
- APPEARANCE
- Formal sequence
- virtual
- copy , imitate
- duplicate ,
- mental copying
 - DIRECT REALISM
 - 2d copying , virtual image
 - 3d virtual image , 3d virtual world , 3D copying
- physical copying
 - 2d copying , pictures , art , drawing
 - statues , 3d models
- Artificial copying
 - 3D computational models
- Molecular copying
 - genetic copying , self assembling molecules

VISUAL ABSTRACTIONS (VIRTUAL COMPARISONS)

- Visual abstractions or Indirect copying by [mind](#)
 - common copy , common form , common structure
 - Concept formation , Generalization , Abstraction , Universal concepts
 - without copy , single copy only , cannot [be](#) copied
 - special , unique , peculiar , Particular , particular concepts
- Similarities of representations
 - functional similarity , analogical representations
 - structural similarity , homologous representations
 - [body](#) plan
 - Differences by the order of senses
 - [measures of virtuality](#)
 - Similar , homogenous , equal , congruent
 - Dissimilar , heterogenous , unequal
 - Fuzzy
