NEO VEDA

Veda is like the science which remains unchanged even if the [language](#) changes , so knowledge of vedas has nothing to [do](#) with sanskrit except for the storing of knowledge and literature.

- Modern Veda or Science
 - Modern Vedang which is called as linguistics
 - [Modern sanskrit](#)
 - Scientific Vocabulary

दार्शनिक और वैज्ञानिक भाषणों का वास्तविक तथा औपचारिक चरित्रों के साथ संबंध
