BRANCHES (MODELS STUDY)

- Materialistic Theory or Materialism
 - Concerning the study of Quantum structures , [particle](#)
 - Concerning the study of Physical structures , Concrete , physicality , physical , [Physicality](#)
 - [Morphology , configuration](#)
 - [anatomy](#) , micro anatomy , gross anatomy
 - phenotype
 - civil structure , [infrastructure](#) , [architecture](#) , design , pattern , organization
 - engineering design
 - [geography](#)
 - [construction](#)
 - chemical structures , chemical , massy
 - molecular structure
- [study of structures](#)
- Concerning the [study of static energy and states](#)
 - statics , state , position , condition
