NUMERICALS OR NUMBER THEORY 3

NUMERICALS OR NUMBER THEORY

- [Numerograms \(symbols for numbers \)](#)
- [Numerographic syntax](#)
- Thinking everything in this world in terms of quantities and numbers. Every thing or being is associated with a number.
- zero , nothing
 - zero
 - starting from 1 to infinity , there is only one sequence
 - starting from 1 to infinity , having two sequences or two quantities at a [time](#)
 - starting from 1 to infinity , having 3 sequences at a single [time](#) in 3 different directions
- The co-existence of different views of science along with the [mind](#) , of definite and indefinite existence , material and immaterial existence , known and unknown measures , [mind](#) and science
- [existence](#)
- [inexistence](#)
- [science of one's](#)
- [Science of two's](#)
- [science of three's](#)
- [Theory of Numbers](#) , [measures](#) , [Theory of Language](#)
 - Mode
 - [measure](#) , definite , indefinite
