SOUL CURSING

A curse (also called [an](#) imprecation, malediction, hex, execration, malison, anathema, or commination) is any expressed wish that some form of adversity or misfortune will befall or attach to one or more persons, a [place](#), or [an object](#). In particular, curse may refer to [such](#) a wish or pronouncement made effective by a supernatural or spiritual power, [such](#) as a god or gods, a spirit, or a natural [force](#), or else as a kind of spell by magic or witchcraft; in the latter sense, a curse can also [be](#) called a hex or a jinx. In many belief systems, the curse itself (or accompanying ritual) is considered to have some causative [force](#) in the result.
