## Facial Expression

Facial expression usually combines parts of face like eyes and lips along with forehead and its wrinkles .

| face                     | आनन                   |
|--------------------------|-----------------------|
| elliptical f.            | दीर्घवृत्तीय आनन      |
| mask like f.             | निर्व्यञ्जक आनन       |
| oval f.                  | अंडाकार आनन           |
| pentagonal f.            | पंचकोणी आनन           |
| pinched f.               | पिचका आनन             |
| quadrangular f.          | चतुष्कोणी आनन         |
| rectangular f.           | आयताकार आनन           |
| retracted f.             | प्रत्याकृष्ट आनन      |
| reversed oval f.         | उत्क्रमित अंडाकार आनन |
| rhomboid f.              | समचतुर्भुजी आनन       |
| rounded f.               | गोलाकार आनन           |
| square f.                | चौकोर आनन             |
| trapezoid f.             | समलंब आनन             |
| f. breadth (=f. width)   | आनन चौड़ाई            |
| facet                    | फलक                   |
| facetectomy              | फेसिटेक्टोमी          |
| facial                   | आनन                   |
| f. asymmetry             | आनन असममिति           |
| f. axis                  | आनन अक्ष              |
| f. <a href="#">nerve</a> | आनन तंत्रिका          |
| f. paralysis             | अर्दित, आननघात        |

|                     |                                             |
|---------------------|---------------------------------------------|
| f. bone             | आनन अस्थि                                   |
| f. canal            | आनन नलिका                                   |
| f. diameter         | आनन व्यास                                   |
| f. flatness         | आनन चपटापन                                  |
| f. habitus          | आनन संहनन                                   |
| f. index            | आनन सूचकांक                                 |
| f. line             | आनन रेखा                                    |
| f. nerve            | आनन तंत्रिका                                |
| f. paralysis        | अर्दिती, आननघात                             |
| f. profile          | आनन पार्श्वदृश्य                            |
| facies              | 1- मुखाकृति 2- पृष्ठक                       |
| adenoid f.          | ऐडिनॉइड मुखाकृति                            |
| apathetic f.        | उदासीन मुखाकृति                             |
| lateralis f.        | पार्श्व पृष्ठक                              |
| leonine f.          | सिंह मुखाकृति                               |
| leprotic f.         | गलितकुष्ठ मुखाकृति                          |
| mongoloid f.        | मंगोलाभ मुखाकृति                            |
| rhisus sardonius f. | राइसस सार्डोनिकस मुखाकृति, हास्याभ मुखाकृति |
| tabetic f.          | टेबीजजन्य मुखाकृति                          |
| f. hepatica         | यकृत मुखाकृति                               |
| f. Hippocratica     | हिप्पोक्रेटी मुखाकृति, दारुण मुखाकृति       |
| f. lunate           | अर्ध चंद्राभ पृष्ठक                         |
| f. medialis         | अभिमध्य पृष्ठक                              |
