Welcome to your new DokuWiki

Congratulations, your wiki is now [up](#) and running. Here are a few more tips to get you started.

Enjoy your work with DokuWiki,
- the developers

Create your first pages

Your wiki needs to have a start page. As long as it doesn't exist, this link will [be](#) red: [start](#).

Go on, follow that link and [create](#) the page. If you need [help](#) with using the syntax you can always refer to the [syntax page](#).

You might also want to use a sidebar. To [create](#) it, just edit the [sidebar](#) page. Everything in that page will [be](#) shown in a margin column on the side. Read our [FAQ on sidebars](#) to learn more.

Please [be](#) aware that not all templates support sidebars.

Customize your Wiki

Once you're comfortable with creating and editing pages you might want to have a look at the [configuration settings](#) ([be](#) sure to login as superuser first).

You may also want to see what [plugins](#) and [templates](#) are available at DokuWiki.org to extend the functionality and looks of your DokuWiki installation.

Join the Community

DokuWiki is [an](#) Open Source project that thrives through user contributions. A good way to stay informed on what's going on and to get useful tips in using DokuWiki is subscribing to the [newsletter](#).

The [DokuWiki User Forum](#) is [an](#) excellent way to get in contact with other DokuWiki users and is just one of the many ways to get [support](#).

Of course we'd [be](#) more than happy to have you [getting involved](#) with DokuWiki.
